www.northmiddleton-township.org

## Parks & Recreation Department

The 8th Annual North Middleton Township Christmas Tree Lighting will be held on Sunday, December 3 at 5:30pm at the Municipal Building.

Cookies and beverages, along with a visit to Santa will follow the tree lighting.

### Flu and Pneumonia Inoculations

The Visiting Nurse Association will administer flu and pneumonia inoculations on Tuesday, November 14th from 3:30pm to 6:00 pm at the Municipal Building. Cost for the flu shot is \$30.00. Mist not available.

Walk-ins welcome. You need not be a North Middleton Township Resident to receive either shot.

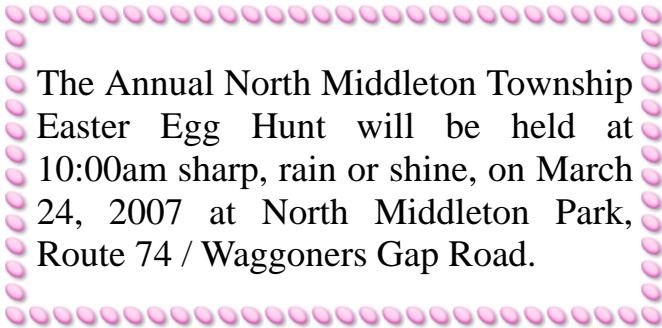

### 2007 Girls Softball Registration

Registration for the 2007 North Middleton Township Girls Softball program will be held at the North Middleton Township Municipal Building on Tuesday, February 20, 2007, from 6:00pm to 8:00pm. Registrations will also be taken Monday through Friday from 8:00 am to 5:00 pm until March 21st. After March 21st a late fee will apply.

### 2007 Pavilion Rentals

Pavilion rentals for 2007 will open to **North Middleton Township Residents** beginning on Monday, January 8, 2007. Rentals for *non-residents* will begin on Monday, February 5, 2007. Pavilion rentals are accepted at the North Middleton Township Municipal Building Monday through Friday 8:00 am to 5:00 pm. Rental fees: Full Pavilion \$45.00, 1/2 Pavilion, \$25.00, Commercial Rental \$100.00.

The Annual North Middleton Township Easter Egg Hunt will be held at 10:00am sharp, rain or shine, on March 24, 2007 at North Middleton Park, Route 74 / Waggoners Gap Road.

### Summertime Adventure

The Summertime Adventure Program was held at Village Park from June 12th through July 22nd. There were 185 children that registered for the program. 130 from North Middleton, 15 from South Middleton, 32 from Carlisle, 7 from Big Spring and 1 from Middlesex.

Thank you to the following employees: Full-time employees Megan Baer, Cait Bear, Shawn Schlusser, and Cindy Bear; Part-time employees Larry Moser, Corey Bear and Carley Bear.

A Special Thank You to the following businesses for their sponsorship of the Cruiser's Concert and Classic Car Show:

---

### Christmas Tree Donation

A very special thank you to Doris and Edward Gyurko for the Christmas Tree for our December tree lighting at the Municipal Building. If anyone has a tree they would like to donate for 2007, please contact Sally.

## Public Works Department

### 2007 Curbside Brush Pick-Up Schedule

March 14   April 11   May 9   September 12

Branches should be piled with all cut ends pointing towards the street. Branches should be as long as possible but not shorter than 18 inches and tree trunks (cut ends) should be no more than 8 inches in diameter. Branches shorter than 18 inches should not be placed curbside for pick up. You can either compost these on your property or place them in your toter cart with your regular weekly trash. Stumps or root systems **will not** be picked up.

## Public Works Department

### Leaf Pick-Up Weeks of November 13th and December 4th

Leaves should be in closed bags. Bags should be placed curbside by Monday morning at 7:00 a.m. of the scheduled collection week.

### 2007 Christmas Tree Pick-up

Christmas Trees will be picked up beginning Monday, January 8, 2007, weather permitting. Trees should be placed curbside by 7:00 am Monday morning.

## Codes & Zoning Department

### Special Thank You

The Board of Supervisors, along with the Volunteer Fire Company, would like to thank the DP Foundation for donating \$20,000 to the Fire Company. A presentation was made by Aaron Paris, Executive Vice-President and Steve Bailey, RLA, Mid-Atlantic Regional Director representing the DP Foundation, which is part of DP Partners who are developing Logisticenter at Carlisle. The check was accepted by Fire Chief Shawn Brickner and Fire Company President Ken Snyder, along with Manager Deborah Ealer. The Supervisors and Fire Company gratefully thank the DP Foundation for their generous donation and local support of our community.

### Burning Ordinance

The following rules apply for outdoor burning:

- NO municipal waste or recyclables are permitted to be burned.
- NO burning on Sundays.
- Burning is permitted during daylight hours only.
- NO burning or smoldering after dusk.
- Burning must be 50' from any building and 40' from all property lines.
- Burning must be monitored at all times.

Please contact County Control at 243-4121 to let them know that you will be burning.

## Police Department

### Crime Stoppers—A Valuable Tool

In January of this year the North Middleton Township Police Department started utilizing an important tool in fighting crime in our community. Through the efforts of Chief Jeffrey Rudolph and Detective Timothy Lively, a Crime Stoppers website is now available to share information with residents on any criminal activity in the township. Up to date information is made available to the public on individuals wanted in connection with committing crimes and missing persons. Also pertinent information about criminal activity is made available in hopes that the public, who are the eyes and ears of the community may come forward with any information leading to the arrest of the perpetrators.

Take a moment to check out the Crime Stoppers web site at <http://crimestopperswanted.com/carlisle.pa.pd>. If you have any information that may be related to any of these incidents, please call the North Middleton Township Police at 243-7910 or email us at [police@northmiddleton-police.org](mailto:police@northmiddleton-police.org).

### Help Us Help You!

We are looking for volunteers either interested in becoming an active fire fighter, or to help behind the scenes. No experience necessary. You must be at least 16 years of age to join. To become a member, contact the firehouse for a membership application.

### Smoke Detectors

Manufacture's urge consumers to replace smoke detectors every 7 to 10 years. We urge you to change your battery at least once a year. Smoke detectors are available for those who can not afford them at Station #2 on Spring Road. Please call 243-2701 for additional information.

### Social Hall Rental

The Social Hall at Station #1, 310 North Middleton Road, is available for rental for birthday parties, wedding receptions, etc. Contact Kathy Snyder at 245-0379 for additional information or to schedule your event.

## Emergency Management

### North Middleton Township's Emergency Management Coordinators Want to Hear from YOU!

North Middleton's Board of Supervisors recently named Scott Winters, Coordinator and Dave Yoder, Deputy Coordinator for Emergency Management. As part of their first tasks they want to hear from residents who have special needs, and those who can help out. Please give us a call, email, or send a note if any of the following applies to you:

**SPECIAL NEEDS:** Do you, or does someone you know in the Township, have a special need that would make it difficult for them to leave in an emergency? Do you know someone in the Township with special medical equipment that requires electricity to operate, that could be a medical problem for them in a prolonged blackout / power outage?

**SPECIAL CONTRIBUTIONS:** Do you have a special piece of equipment, such as a backhoe, or a bobcat, that you could make available for helping others in a disaster? Do you have a desire to help during disasters? We have a number of volunteer programs suited for all types of persons, please consider volunteering.

IF YOU HAVE INFORMATION THAT FITS ANY OF THE ABOVE, PLEASE CONTACT THE COORDINATORS AT:

Mail: Emergency Management, 2061 Spring Road, Carlisle, PA 17013  
Phone: (717)243-8550 Email: [township@northmiddleton-township.org](mailto:township@northmiddleton-township.org)

## North Middleton Authority

### Water Distribution Flushing

The North Middleton Authority staff will be conducting the semi-annual water distribution cleaning again this fall. This year this effort will not take place until late October or early November because one storage tank being out of service for painting. This operation is completed during the early morning hours in an effort to minimize any inconvenience to the customers caused by discolored water. The flushing operation removes any air and accumulated particulate matter from the distribution system to ensure quality water for everyone.

### Sewer Cleaning

Every year the North Middleton Authority cleans the main lines of the sewer collection system. This is accomplished by entering the main sewer line through a manhole with a 1 1/4" high pressure water hose. This operation is necessary to clean any accumulated grease or debris to prevent backups and to ensure free flowing sewers. During this operation a rumbling noise can be heard in some houses and occasionally bubbling of water in toilets or sink traps may occur. This is caused by air-flow trying to escape the pipeline by traveling up the laterals. If households have properly designed and installed vents within their plumbing systems this should not cause any problems. The Authority staff does place roadway signs in the areas that flushing operations will take place.

## North Middleton Authority

### Elevated Water Storage Tank Recoating

The 1,000,000 gallon Elevated Water Storage Tank located just off of Cranes Gap Road has been out of service since early June for a complete interior wet chamber reconditioning and complete exterior cleaning of the existing paint and overcoating of the same. The exterior finish will be light in color and will have exterior lettering on the tank with "NORTH MIDDLETON TOWNSHIP" facing two opposite directions. This project will be completed early in October. After disinfection and curing the tank will be placed into operation by November.

### Area 8 A/B Sewer Project

The public sewage system for the area of the Newville Road, West Louther Street, West North Street and Meeting House Springs Road is very close to being ready to use. The restoration process is currently underway. The project, which is known as Area 8 A/B within the Township's Sewage Facility Plan (Act 537) will provide a collection system of gravity sewer mainlines and lateral pipes to serve 130 existing properties with a total of 149 existing dwelling units located on these properties.

Project costs for a typical residential property will include a Connection Charge of \$3,100.00 and the Tapping Fee of \$2,600.00 for a total of \$5,700.00. This amount can be financed over a period of five years with the Authority. Commercial and multi-residential properties would pay a Connection Fee of \$3,100.00 plus \$2,600.00 per EDU based upon either water consumption or number of units.

The Township and the Authority applied for and received a Community Development Block Grant through Cumberland County to help subsidize the installation of the building sewers from the property line to the houses of Low-Moderate Income (LMI) qualifying owner-households. By using the 2000 Census Block group mapping provided to us by CDGB the project area is comprised of 37.6% LMI families. According to our best count of 103 owner occupied properties, this means that approximately 38 properties could possibly qualify for assistance with the installation of their building sewers. This type of assistance is direct assistance to the owner-occupant of the residence being hooked up to the system. Each household must apply and provide documentation of proof of ownership, currency in payment of taxes, and LMI status.

## General Information

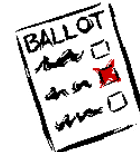

Trick or Treat Night
